

BMS Early Careers Programme – Operations Stream

This is a fantastic opportunity to join our Early Careers programme, working closely with Senior Technical Experts within Central Operations including Central Claims, Central Processing and Accounts, Market Security & Due Diligence and Operational Strategy, with exposure to other areas of the group.

Learn 'on-the-job' in a dynamic and collaborative environment whilst studying for an industry recognised qualification, enrolling onto the Level 3 Insurance Practitioner course and completing the Certificate in Insurance from the Chartered Institute in Insurance.

This role will be based in our London office, with the opportunity to work from home in a hybrid fashion. Find out what it's like to work at BMS [here](#).

About BMS

BMS is a dynamic, independent global broker established in 1980, delivering specialist insurance, reinsurance, and capital markets advisory services. Our purpose is to help people, businesses and communities flourish and prosper in a world of risk.

We are a global brand with offices located across the US, Canada, Latin America, Australia, Europe and Asia with both a strong local focus and understanding of market needs. Being independent gives our brokers the freedom to deliver the best solutions and combined with our collaborative team approach, single platform worldwide and renowned personal service, we are the independent broker of choice.

About the department

The BMS Early Careers Programme provides a route into a successful career in a dynamic industry. The Central Operations function offers technical services and support to Global Risks, BMS Re and International Divisions. It is made up of five teams which covers all operational activities from technical claims to strategy and planning:

- Claims
- Processing
- Insurance Accounts
- Due Diligence & Market Security
- Operational Strategy

BMS Group Ltd
